### **Plein Air Watercolor or Acrylic Sketching**

**Patricia Wood**

Using nature as our subject, we will sketch with paint; seascapes, gardens or whatever excites our imagination at the different venues where we shall meet. I would like to meet at 9AM on Tuesdays and Thursdays, weather permitting, for 6 weeks. This would allow us to forgo the bad weather days and still possibly get in 6 or 8 classes which would run 2 to 3 hours. Participants will need to bring the medium they will be working with plus a camera to take pictures of what they are working from. I will be happy to phone any individual who may have questions. We will respect all the protocols for Covid-19 (distancing and masks). Please contact Pat at [pwood4@maine.rr.com](mailto:pwood4@maine.rr.com) or 207-671-4499.

Due to the Coronavirus pandemic, we will only paint outside and follow social distancing restrictions in effect at the time the class begins. Sites will include local natural landscapes, village and urban settings, architectural features and seaside subjects. Students will plan for the changing light and shadows (and tides), and a variety of techniques and issues will be examined – color and perspective, water and reflections, and clouds and waves.
