WINTER 2020

FEATURING A DIVERSE MIX OF MORNING AND AFTERNOON TALKS ALONG WITH COFFEE AND PASTRY REGISTRATION SOCIAL (9-9:30) AND LUNCH (11:30-12:30)

LEARNING ABOUT INNOVATION, OUR ENVIRONMENT, ABUSE, OUR ASTRONOMY AND MORE ALL ON THE 2020 DOCKET

Wednesday
January 15, 2020

9:30-11:30 **Mary Morton Cowan**

Mary, a Maine resident, is the author of books, articles and stories for young readers. Mary will share the development of her latest biography about the life and dreams of Cyrus Field.

"Cyrus Field's Big Dream: the Daring Effort to Lay the First Transatlantic Telegraph Cable".

12:30-2:30 **William Mallio, Ph.D.**

William is a professional historian in Geology / Geochemistry and Environmental Geology. He is a Licensed Site Professional, studying and managing solutions

for hazardous waste sites. He will discuss the formation and changes of the earth over the first 4.6 billion years, as well as our modern environment and our safety in this active solar system and what we are doing to our planet.

Wednesday
February 19, 2020

9:30-11:30 **Michael Chaney**

Executive Director, Frances Perkins Center. After a career in non-profit management and public history, Michael now champions *'The*

Life & Legacy of Frances Perkins'. Frances Perkins was Secretary of Labor to FDR - the first female Cabinet Secretary. She was the principal architect of the New Deal, Social Security drafting, and more.

12:30-2:30 **Officer Candice Simeoni**

Administrative Supervisor, Kennebunk Police Officer Simeoni has extensive training in the field of elder abuse, domestic violence, and victim abuse. She is president and founder of York County Elder Abuse Task Force. She will provide an update on how to avoid being a victim, financial scam awareness, and an update on crimes against our aging community and safety.

9:30 - 11:30 **Edward Gleason**

Planetarium Manager/ Astronomer, Southworth Planetarium, University of So. Maine.

Edward is engaged in astronomy education by teaching classes, writing articles, presenting planetarium shows, and spreading the astronomy word. "How We Know What We Know. . . What Do We Know?"

12:30 - 2:30 **Shawn Sullivan**

York County Coast Star Shawn is a journalist, columnist, author, and podcast host. He will provide a view of small-town journalism today, as well as his life as a columnist writing about life, one week at a time.
